## Community Consultation Meetings

You are invited to three community consultation meetings that I am hosting to discuss development proposals in your neighbourhood. This is an opportunity to learn more and make your voice heard.

**Date:** December 05, 2016  
**Presentations at:** 6 pm, 7 pm, and 8 p.m.  
**Location:** Metro Hall, Room 310

### 663 King St W & 58 Stewart St (6:00 p.m.)

This is a pre-application meeting to discuss a proposal for a mixed-use redevelopment at the south-east corner of King and Bathurst.

I ask all potential developers to meet with the community before they submit any application to the City. It is an opportunity for you to give feedback at an early stage.

The developer will make a presentation followed by an open Q&A session.

### 422-424 Wellington St W (7:00 p.m.)

A re-zoning application has been submitted to build a 23-storey mixed-use building with office and/or commercial space on the first four storeys and 129 residential uses above.

City Planning staff will make a presentation about the proposal, followed by a presentation from the applicant, and then an open Q&A session.

### 149-157 Bathurst St (8:00 p.m.)

A re-zoning application has been submitted to build a 19-storey residential tower with 155 units, 24 parking spaces, and retail at the ground floor.

City Planning staff will make a presentation about the proposal, followed by a presentation from the applicant, and then an open Q&A session.
